

FH Bowling Club

Can you think of a nicer way of spending a summer afternoon than watching games of bowls on six greens? Brian Webb tells me, "Spectators are always welcome and I'm sure that we could run to a cup of tea and biscuit when we have our mid match break."

"On Thursday 8 June at 2pm we have a men's match against a team from the Bucks Executive, this is probably our most important friendly match of the season. In the Chiltern & Thames League we have a home match on Saturday 17 June (2.30) against Bassetsbury and in the 3 Counties League home matches on 10 June (2.30), also against Bassetsbury, and on Tuesday 13th. June (6pm) against Chalfont St. Giles. These are the best of the June fixtures and the three league games are mixed matches."

This season Ralph King is Club Captain with Michael White as Vice-Captain. Dorothy Robertson and Rex Tilbury remain in office as Club Secretary and Treasurer respectively. At the AGM Brian Webb was elected President with Brenton James as Vice-President. The four Committee Members, Alan Brown, Janet Jones, Brian Sharp and Bill Smith were re-elected to serve for another year and these four continue as the Club Competition Committee. We are grateful for all the hard work put in, pre-season, by our team of groundsmen supervised by their leader Rob Robertson.

We are happy to welcome new players, be they either newcomers or experienced. Please ring Dorothy Robertson on 01628 526441 if you are interested in joining our Club. Spectators are also most welcome to come along and watch play on the six greens.
