

Flackwell Heath Village on the WEB

www.flackwellheath.net

A WEB site for Flackwell Heath Village has been created in association with the MCAFH (Millennium Celebrations at Flackwell Heath).

The WEB site is intended to be a comprehensive and central source of information on activities, organisations, retail outlets and businesses in our village.

The MCAFH has funded the initial purchase of the name and WEB hosting for the first 2 years and the WEB site creation has been provided free. From there on the WEB site needs to be self-funding but non-profit making.

A standard entry will be free of charge for all organisations, retail outlets and businesses in the village.

A typical entry includes: -

Name, type of business, address, location (map ref.), photo / image and phone number.

In order to help me acquire the correct information and permission to publish your details, could you please fill in the form below and return ASAP.

If you require any other information or have suggestions on how Flackwell Heath on the WEB can help to promote your organisation or business, then please contact me on 01628 524474 or e-mail webmaster@flackwellheath.net

Many thanks - Brian Moulson.
